## **Annual trips and visits 2016-17**

Dear Parents/Carers

Welcome to another fantastic year of learning here at Chestnuts. As existing parents will know we strive to provide World Class out of school learning opportunities. Some of last years' experiences included;

**Stone Henge, various London museums, Kidzania, Stoke Bruene, Legoland Windsor, Brighton, A professional pantomime, Verulamium, Milton Keynes Theatre, Jamie Oliver restaurants, Pizzahut, Cineworld, London boat tours, Thrift Farm, Dobbies, and much, much more.**

In order to create these experiences for your children with increasingly tight school budgets, we kindly request an annual voluntary £30 contribution per child. We understand how tricky this can be for some families, especially those with several children and so we offer multiple ways to pay – including weekly and termly instalments which have proven to be very popular.

Governors have agreed to cap the contribution at £30 for the third year running in order to support parents, whilst also maintaining the excellent value for money and level of experience that your child receives. Your contributions are essential to the survival of these trips and visits as school budgets have been squeezed significantly over the past few years and this is set to continue.

Please log on to \*\*\*\*\* to begin making payments for the new academic year. Outstanding voluntary contribution amounts from 2015-16 will still be visible to existing parents on the parentpay site.

If you have any questions or concerns with this contribution, please do not hesitate to contact me either via email at; [office@chestnuts.milton-keynes.sch.uk](mailto:office@chestnuts.milton-keynes.sch.uk) or by calling into the office and requesting an appointment.

Kind regards

Allison Collis  
Headteacher
