

Chestnuts Primary School

'Encourage, Enable, Empower'

Headteacher: Miss Becky Skillings

Assistant Headteachers: Mrs Katie Robins and Mr James Vernon

17th October 2017,

Dear Parents/Carers

TRIPS, VISITORS AND EXCITING OPPORTUNITIES

As existing parents will know, Chestnuts aims to provide outstanding learning opportunities both on and off site for all children. In order to create these experiences in a period of tight school budgets, we are kindly requesting an annual voluntary contribution of £30 per child. We understand how tricky this can be for some families, particularly those with multiple children and so offer different ways to pay, including half termly or even weekly.

Last year the children in Year 5 had the opportunity to:

- visit Tring natural history museum;
- attend 12 swimming lessons;
- enjoy a visit from the Fire Brigade;
- visit the Space Centre in Leicester;
- attend the Pantomime at School;
- take part in a local trip to Tesco;
- meet a Viking visitor for the day;
- go to Pizza Express;
- meet Alive and Kicking visitors;
- work with a published poet for the day;
- visit Rushmere Country Park and work with the Park Rangers for a day;
- take part in our annual Chestival, filled with fun and activities.

We hope you'll agree that the £30 contribution provides great value for money. Please log on to School Money to make your contribution. If you were one of the few that were unable to complete your contributions for last year, these are still available for you to catch up on.

Many thanks for your ongoing support

Becky Skillings
Headteacher
