Breakfast club

Dear Parent/carer,

We are writing to inform you of an increase in the cost of our breakfast club from September 2018.

We have always tried to keep our provision as cheap as possible for parents but with the shortage of funding in our budget we are unable to continue to run the breakfast club at a loss.

Currently the breakfast club costs the school £21,000 a year to run, including staffing, food and equipment. The 30p a day per child raises £6,000 so you can see that the school is subsidising the provision by £15000. As a school we are unable to sustain this outgoing and as a result the cost of **Breakfast club will increase to £1 per child per day as of September 2018.**

We have spoken to other schools in MK and this is still the cheapest breakfast club/childcare provision on offer.

All places in breakfast club must be pre-booked and pre-paid.

Children will not be accepted into breakfast club if they have not booked and paid.

Booking and paying is done via our school money portal. All parents have/will be provided with a log in and if there are any problems with this then please contact the main reception. The main reception is unable to take cash payments.

We are sorry for the increase but we are sure that you will understand and appreciate that the school are unable to continue to subsidise at the current rate, £1 a day still doesn't cover the full cost of running club.
