

# Chestnuts Primary School

**'Encourage, Enable, Empower'**

Headteacher: Miss Becky Skillings

Deputy Headteacher: Mrs Katie Robins Assistant Headteacher Mrs Samantha Sear

18<sup>th</sup> October 2018

## Milton Keynes Lightning Schools Enterprise Project

The MK lightning Ice Hockey Team are thrilled to invite Chestnuts Primary School to take part in our 2018/19 Schools Enterprise Project. It is a simple initiative where by MK Lightning will provide Chestnuts with a sponsored match. This will enable the school to sell match tickets at heavily discounted rates to students, teachers, family members and friends. £3 from every adult ticket sold will be given directly to the school.

This is a fantastic opportunity to raise funds for school equipment and to provide you with an exciting family night out. Please support us with this fund raiser.

Our sponsored game will take place on **Saturday 10<sup>th</sup> November**, at **MK Arena (near the station)** when MK Lightning take on the Cardiff Devils. The game starts at 7.00pm.

### **Ticket prices are as follows;**

**Adults - £9**

**Child (under 16) - £5**

Ice Hockey games are really exciting to watch and the arena always has a fantastic atmosphere. It would be amazing if we could fill the arena with Chestnuts families and friends and really raise the roof in support of MK Lightning and Chestnuts School.

A free ice skate after the game is included. Skate hire if required is £2.50.

If you would like to purchase tickets, please complete the return slip below and submit the correct money in a sealed envelope. A list of names will be emailed to the organisers so they have tickets ready for you when you arrive at the venue.

Hope to see you all there!

Yours faithfully,

Becky Skillings
