

Chestnuts Primary School

'Encourage, Enable, Empower'

Headteacher: Miss Becky Skillings

Deputy Headteacher: Mrs Katie Robins Assistant Headteacher: Mrs Sam Sear

22 October 2018

Dear Parent/Guardian,

Year 6 Dissection lesson

After October half term we will be learning about the different parts of the heart and how the blood flows. As part of this new topic we'll dissect a sheep's heart. Afterwards, we'll write a report of the experience and use software and models to learn more about how the circulatory system works. We'll use a data logger to measure our heart rates and test how it is affected by exercise.

This lesson will occur in the first week back after October half-term. We would be very grateful if you could return the reply slip at the end of this letter; indicating if you would like your child to participate in the dissection lesson or not.

Yours sincerely

Mrs Reynolds, Mrs Watson & Mrs Ellison
Year 6 teachers

Child's Name: _____

- I am happy for my child to participate in the dissection lesson
- I **would not** like my child to participate in the dissection lesson
