

# Chestnuts Primary School

'Encourage, Enable, Empower'

Headteacher: Miss Becky Skillings

Deputy Headteacher: Mrs Katie Robins    Assistant Headteacher: Mrs Sam Sear

Wednesday 12<sup>th</sup> December

Dear Parents and Carers,

At Chestnuts School, we are very proud to work in partnership with other schools as part of the IFTL Multi Academy Trust. Each of the schools continue to look for purposeful opportunities to work together in order to provide the best possible learning experiences for the children in our respective schools.

A key part of our role as a primary school is to start preparing the children for their future endeavours, whatever they may be! We want the children to dream big, aim high and understand that there is a whole world out there waiting for them to do wonderful things.

We are inviting members of our local communities to come into school and talk to small groups of children about their jobs and careers. Our intention is to inspire children to be ambitious and aspirational when considering their futures. If you think you might be interested in taking part, please complete and return the slip below. With this in mind, we are looking for members of our local communities who would be happy to come and talk to our children about the job they do; what they enjoy about it, the path they took and continue to take in their chosen career.

We are looking to organise a 'See it, Be it' day for a select number of children from each of the schools in the trust, which would encourage them to think about what they might do when they are grown up. All being well, this will be held in a school in Milton Keynes during the summer term. Each volunteer who comes to talk to the children will only have a small number of pupils to talk to at any one time and the children will have pre-prepared questions (which you will know beforehand!). We understand that not everyone will be able to attend on the day (and we will be limited by space as to how many we can invite) but if you would be interested in coming and just talking to the children in your own school that would be fantastic too!

We don't expect anyone to commit at this stage, but it would be great to hear from any parents or carers (or grandparents etc) who would be open to having a chat with a member of staff about possibly coming along. We are interested in a whole range of occupations (although particularly 'People who help us' to talk to the younger children) so if you are interested in any way then please do let us know by Friday 21<sup>st</sup> December.

Thank you in advance.  
Yours faithfully

Mrs K Robins  
Deputy Head
