18th September 2019

Dear Parents/Carers

Earlier this term I wrote and told you about a few changes to school, one of which was the change from a sporting based Fun Friday to an Enrichment Afternoon. We are excited to be launching our Enrichment Afternoons this week (Friday 20th September) and want to explain a little more about the afternoons.

To widen our children's learning opportunities, skills and awareness of the wider world we have planned a range of activities that children have been able to sign up to participate in during the afternoon. The children will continue with this activity for 7 weeks at which point they will be able to select a new enrichment activity. The children will work with other children from Key Stage 1 in small groups (maximum of 16) learning new skills and having a different learning experience.

The activities that children in Key Stage 1 have been able to choose from are as follows:

British Sign Language with Mrs Mallet	Gardening with Mrs Ledster	Team games with Mrs Gopaul	Balance and movement with Mrs Morgan	Memory games with Mrs Terry	Animal encounters with Miss Hayley	Bird watching and feeding with Mrs Drury	Construction with Mrs Thompson	Visit to Local Park with Mrs Cole and Miss Fenton
---------------------------------------	----------------------------	----------------------------	--------------------------------------	-----------------------------	------------------------------------	--	--------------------------------	---

As this is a new initiative introduced to broaden the experiences offered in school, we would appreciate your feedback regarding Enrichment Afternoons. Once your child has taken part in a few sessions, we will send out a questionnaire.

Yours faithfully,

Becky Skillings
Headteacher
