

Friends of Chestnuts PTA

Loose Change Challenge

This week the Friends of Chestnuts PTA are launching the Loose Change Challenge!

Every class has been given a 2-litre bottle that they have been given the challenge of filling with any loose change from home, that you can spare. Children can bring this in to class and pop it in the bottle each morning.

Each week the bottles will be presented in assembly for all children to see how each class is doing.

The challenge will run from Monday 3rd February until Friday 27th March.

The winning class will receive a whole class prize activity that will take place on the last week before the Easter holiday.

The winner will be decided on the bottles filled rather than how much is inside.

An update will be made weekly on our Friends of Chestnuts Facebook page. If you're not a member, please join today to keep up to date with all FOC PTA activities.
