Assistant Headteachers: Mrs Sam Sear & Mrs Nicola Tearle

16th March, 2020

Dear Parents/Carer

As many of you will be aware, Boris Johnson has announced a change to the self-isolation guidance this afternoon.

From Tuesday 17th March, if anyone in the household has a new persistent cough and/or a high temperature then the whole household should self-isolate for 14 days. This is to minimise the spread of the virus. Those who are currently self-isolating should now extend this period to 14 days.

School will continue to remain open however, all school staff are subject to the same guidance from the Government. We will closely monitor the attendance of staff to ensure that we are able to operate the school safely. If at any time we feel this is not possible and a partial, or full closure of the school is to be put in place, this will be communicated through the normal channels.

If children develop symptoms during the day, we will contact you and ask that you collect your child as soon as possible. They, and any siblings, will be sent home with a pack of work for them to do as and when they are able.

If you are self-isolating already and would like a pack of work to be delivered for your child/children, please contact the school office and we will arrange for these to be delivered to you.

If you have any questions or concerns, please do not hesitate to contact the office.

Yours faithfully,

Becky Skillings
Headteacher
