Dear Parents and Carers,

We appreciate that, at this moment, you are receiving a large amount of correspondence from the school, but we want to keep you as up to date as possible with our plans.

With regards to the week commencing Monday 1st June, we wanted to give you some information about how this week will look.

- **Monday 1st and Tuesday 2nd June** will be training days for us to ensure that all staff are fully aware of the new procedures and practices we have put in place to maintain everyone's safety during this time. We will also use these days to ensure that all resources have been delivered and school is ready for us to begin teaching again. Key worker children will be able to attend school.
- **Wednesday 3rd June** will be your child's return to school day provided the government announce that schools will definitely open. The times for drop off and collection are still being planned and we will inform you of these as soon as we can.
- **Thursday 4th June** the children will be in their bubbles for a whole day of learning activities.
- **Friday 5th June** will be a half day for the children to allow teachers, the government directed time, to plan and prepare for the following week.

From the next week, commencing Monday 8th June, the children will be in school full time from Monday to Thursday and then for half a day on Friday.

Hopefully, this has helped give you a little more information. However, if you have any further questions or concerns, please contact the school either by telephone or email to office@chestnuts.milton-keynes.sch.uk.

If you have not yet confirmed whether you will be sending your child back to school should we open, then please do so to enable us to plan the bubbles and the start and finish times.

Yours faithfully,

Becky Skillings
Headteacher
