## Identified barriers to educational achievement

Chestnuts Primary School has identified the following as barriers for some of the pupils currently in receipt of Pupil Premium:

- Attendance
- Parental engagement in home learning
- Emotional health and wellbeing of pupils
- The number of children not being school ready when joining Early Years
- Aspirations of the children and families
- High proportion of PP children also have SEND
- Access to education – phonics focus
- Access to education – reading, writing and maths
- Access to enrichment opportunities
