Assistant Headteachers: Mrs Sam Sear & Mrs Nicola Tearle

Thursday 17th September 2020

Dear Parent/Carer,

In Year 6, we have subscribed to a website called **SATs Companion**. This is a learning platform where weekly homework will be set and the children can access a range of maths, reading and grammar tasks to help consolidate their understanding of key concepts taught in school.

Each week, a piece of grammar work and a piece of maths work will be set by the children's class teachers. For each task attempted, the children can earn points and receive feedback on that particular skill. As with any homework set, we are more than happy to provide time and support at a lunchtime to support with this. However, we do ask that you support and encourage your child to access this at home too. Homework will be set on a Thursday evening and will be due in on the following Thursday morning and this will then be recorded in school. The first piece of homework will be set be on **Thursday 17th September 2020.**

The children have today been **issued with their logins and passwords** these should all have been taken home and in your child's reading records. The website that the children need to use is <https://app.satscompanion.com/login>
The children have been shown the system and should be familiar with accessing the learning platform.

If you have any questions or queries, please do not hesitate to contact school and speak to one of the Year 6 team.

We thank you for your continued support.

Yours faithfully,

Miss L Seagrave and Mrs A Cole
Year 6 Class Teachers
