Tuesday 6th October

Dear Parents/Carers,

On **Monday 19th October** we are excited to announce that a science dome is coming to Chestnuts. We have arranged for Seedlings and Saplings to take part in activities in the dome. The theme will be Under the Sea which links into our topic of New Adventures. This will be a fun and enjoyable learning experience for the children.

The current climate is not what any of us expected, but we are confident that the opportunity to experience the science dome will provide a safe, enjoyable learning experience. Extra measures will be taken to ensure that we are keeping the children safe and complying with all guidelines and regulations. The presenters will be working from behind a screen so as to stay separate from the children and the dome will be cleaned at regular intervals too.

There will be a voluntary contribution of £4.83 for this visit which needs to be paid via parentmail by Friday 16th October. If sufficient contributions are not received, then the visit will be cancelled.

If you do not wish for your child to take part in this, please can you inform the school office by Monday 12th October.

Thank you for your continued support.

Yours faithfully,

Mrs Batey
EYFS Leader
