23 February 2021

Dear Parents and Carers,

I am delighted that the government has decided that all children are able to return to school from Monday 8 March 2021 and I am extremely excited to be able to welcome your children back on that date. As was expected, the government has provided us with very clear expectations about how schools should return and what we need to do to minimise the risks to pupils, parents, and staff upon return. I will be working through this document and planning with the staff during this week and will issue you with further information at the beginning of next week.

Please bear with me whilst I put the plan together and I look forward to welcoming all the pupils back.

Yours faithfully

Becky Skillings
Headteacher
