

### English – Reading and Writing

In reading, we will be studying the book, Polly Flint. We will also be looking at the poem Macavity the Mystery Cat.

In writing, we will be creating a recount text in the form of a diary as well as writing instructions linked to our D.T. work.

### Maths

This half term, we will be learning about addition and subtraction, using the column method. We will also be exploring the properties of shape.

### Science

Through our science work, we will be learning about animals, including humans. We will focus on the function of the skeleton, how muscles help us to move and why nutrition is so important.

### Geography

In geography, we will be learning about the key aspects of rivers and also researching The River Severn and The Great River Ouse.

### Art and Design

This half term, we will be learning about different sketching techniques and how these can be used to draw a human face.

# Living Things!

## Year 3, Summer 1

### Design and Technology

Linked to our science learning, in D.T., we will be exploring the different food groups and using this information to help us design and make our own healthy flapjacks.

### R.E.

Through R.E., we will be learning about Christianity. We will find out about where Christian's worship and their holy book.

### P.S.H.E.

In Jigsaw, we will be learning about how to form positive relationships with ourselves and others around us.

### P.E.

During our P.E. lessons, we will be learning about the different techniques used in tennis and athletics.

### Music

In the unit Bringing Us Together, we will listen to, learn and perform a variety of songs, while also learning the instrumental parts as well.

### M.F.L.

In German, we will be learning the names of fruits and vegetables, how to ask for them and saying if we like or not.
