

English – Reading and Writing

In reading this half term, we are focusing on the narrative text 'I, Cosmo'.

In writing lessons, we will be learning how to create a persuasive text and we will be writing a diary entry.

Maths

Through our maths learning, we will be looking at how to find percentages of amounts and re-capping our learning on fractions and decimals.

Science

We will be learning about the life cycle of a human and the physical and emotional changes that happen as we grow.

Geography

In geography, we will be focusing on Mexico, looking at its physical features, its trade links, its settlements and its natural resources.

Art and Design

This half term, we will be looking at the work of Andy Goldsworthy and will be creating our own pieces of natural art inspired by him.

Wonderful World

Year 5, Summer 1

Computing

We will use digital devices to take photographs and upload them to a virtual gallery as well as learning about search engines.

R.E.

Through our R.E. lessons, we will learn about Christianity, focusing on the family unit, everyday life and the wider community.

P.S.H.E.

In Jigsaw, we will be learning about relationships with a focus on how to stay safe online.

P.E.

In P.E., we will be learning the skills needed to play Kwik-Cricket. We will also be learning the correct technique to complete running races in athletics.

Music

During our music lessons, we will be learning how to recognise jazz music. We will also be playing the glockenspiel and recorder.

M.F.L.

In German, we will be learning the names for the parts of the body, illnesses and animals.
