

English – Reading and Writing

This half term, we will be writing a set of instructions, a recount of an event and composing and performing our own poem during Poetry Week.

Maths

In maths, we will be focusing on position and direction. We will be developing our understanding of turns, rotation and direction of travel.

Science

In our science learning, we will be studying plants and looking at the stages of plant growth. We will also be undertaking various activities during Science Week.

History

The half term, we will be plotting the events of World War 2 on a timeline, looking at the pivotal role Bletchley Park played in the war and the life and work of Alan Turing.

Art and Design

Through our artwork, we will be learning about form and sculpture. Our artwork will be inspired the various sculptures around Milton Keynes.

Battleships

Year 2, Summer 2

Geography

In geography, we will be understanding and identifying the physical and human features of cities. We will be comparing Milton Keynes to Tokyo, Japan.

Computing

In computing, we will be learning about programming and coding. We will be using code to programme Beebots, which will navigate a course.

R.E.

Through R.E., we continue our learning about Judaism. We will look at how communities teach, influence and demonstrate Judaism to Jewish people and families.

P.S.H.E.

This half term, we will be learning about the life cycle of humans and how we change as individuals as we grow up.

P.E.

In P.E., we will be recapping our bat and ball skills and applying these to games. We will be preparing for Sports Day through various athletic activities.

Music

This half term, we will be recapping the music skills that we have developed this year. We will perform songs and play a range of instruments.
