

English – Reading and Writing

This half term, we will be reading Percy Jackson, The Lightning Thief and exploring a biographical text about David Attenborough. In our upcoming poetry week, we will be exploring limericks. In writing, we will be using the short film La Luna to write our own narrative. We will also be writing our own explanation text.

Maths

In maths, we will be exploring the area and perimeter of rectilinear shapes. We will also be extending our knowledge of geometry. This term we will also be completing the Multiplication Check.

Science

In science, we are learning about the different states of matter and materials can be changed from one to another. We will also be learning about the water cycle.

Art and Design

In our art lessons, we will be exploring the artist, Claude Monet. We will also explore different moods in art and how these are shown using tones of colour, tints and shading.

Our Natural World Year 4, Summer 2

Geography

Through our geography topic, we will be identifying mountains on maps and the key physical features of mountains. We will also learn about how mountains are formed.

R.E.

This half term, we will be learning about the beliefs of Muslim's and exploring their significant religious leaders.

P.S.H.E.

This half term, we will be looking at changes in the female body. We will also be understanding that some personal characteristics come from our birth parents.

P.E.

In P.E. lessons, we will be learning the rules for playing rounders and developing our fielding skills. We will also explore the varying running styles over different distances.

Music

In music, we will be learning to focus on notes and how music is written. By end of the term, we will be able to play a rhythmic phrase from notation on a guitar.

M.F.L.

In our German lessons, we will be exploring how to orally describe the weather and to use dialogue in an ice-cream shop.
