

English – Reading and Writing

In reading, we will be exploring the text 'Crater Lake' and continuing looking at thought provoking poems.

In our writing lessons, we will be writing a mystery narrative, a newspaper report and a poem.

Maths

In maths, we are exploring the area, perimeter and volume of different shapes. We are also continuing our arithmetic sessions to further develop our skills.

Science

In science, we will be studying materials. We will look at their properties and how they change.

History

In history, we will be exploring the Vikings using a variety of sources to help us understand the events that happened during the Viking period.

Art and Design

In art, we will be studying Paul Klee and his artworks. We will then be creating our own monochrome piece of art.

Magnificent Materials

Year 5, Summer 2

Computing

In computing, we will be developing our skills to create a program in Scratch. We will also be analysing and summarising video information linked to our history topic.

R.E.

Through our R.E. lessons, we will learn about Islam, focusing on the family unit, everyday life and the wider community.

P.S.H.E.

In Jigsaw, we will be learning how the body changes through puberty and thinking about what we are looking forward to in Year 6.

P.E.

In P.E., we will be learning the skills needed to play cricket and applying these to a game. We are also developing our athletic skills such as running and jumping with speed and control.

Music

In music, we will be listening to a wide range of music and appraising it. We will also be practising the musical skills we have developed this year and using them to create a performance piece.

M.F.L.

In German, we will be learning the vocabulary related to the weather and develop the skills to ask for items in the ice-cream shop.
