

## English – Reading and Writing

In reading this half term, we will be looking at 'The Owl and the Pussy Cat.'

In writing, we will be looking at a short film called 'Bubbles' and using it to help us write stories. We will also be writing a persuasive letter about litter picking.

## Maths

This half term in maths, we will be looking at geometry and measurement. We will be exploring position and direction and length and height.

## Science

Our topic in science this term is 'Plants and Living things.' We are going to be finding out what plants need to grow. We will then be planting our own plants and using our knowledge to look after them.

## Art and Design

Through our art learning, we will be finding out all about colour and pattern. We will be looking at how colours can be mixed together to create tones. We will also be looking at different patterns in artwork and how we can replicate these with a variety of materials.

# Jet Setters

## Year 2, Topic 5

## Geography

This half term in geography, we are going to be exploring our local community. We will be looking for both physical and human features around us. We will learn what makes features human or physical.

## R.E.

In our R.E. lessons, we will be finding out more about Judaism. We will be learning about the different stories that are important to Jewish people.

## P.S.H.E.

In Jigsaw, we will be looking at different relationships. We will learn about our family and friends who care for us. We will also be exploring the difference between a good secret that makes us feel happy and a bad secret that makes us upset and worried.

## P.E.

In our P.E. lessons, we will be learning how to play tennis and the different skills that are needed. We will also be learning different skills to use during circuit training sessions.

## Music

In music, we are going to be learning the friendship song. We will be building on our knowledge of the glockenspiel and the recorder to perform the song as a group.
