

## English – Reading and Writing

In reading, some of us will be reading 'Charlie and the Chocolate Factory' whilst some of us will be exploring the texts 'Hidden Figures' and 'The Demon Headmaster'.

In writing, we will be creating our own adventure narratives and recounts. We will also be exploring repetitive poetry.

## Maths

This half term in maths, we will be exploring different aspects of shape, space and measure. We will be learning about length, weight, capacity and temperature as well as the properties of 2D and 3D shapes.

## Science

This term, our focus in science will be on plants! We will be learning to name a variety of plants and trees. We will plant our own seeds and observe what happens over time, considering what plants need to grow. We will learn to name the structures of plants and understand their functions.

## Computing

In computing this term, we will be focusing on 'Information Technology Around Us'.

We will learn to identify technology around us and think about how it is used.

# Magnificent Milton Keynes! Meadow, Topic 6

## Geography

In geography, we will be focusing on mapwork. We will use world maps, atlases and globes to locate the UK, as well as other countries and continents. We will learn basic compass directions and create our own maps using symbols in a key.

## R.E.

In R.E., we will be building on our current knowledge of Judaism. We will look closely at Jewish leaders and how they influence the Jewish communities that they serve.

## P.S.H.E.

In Jigsaw, we are going to be looking at our body and how it has changed from when we were young to now. We will be looking at the life cycle of a human, focusing on the different stages such as baby, toddler and child.

## Design and Technology

Within our textiles unit this term, we will be designing and creating our own puppets! We will use different tools to cut, join, shape and finish our products.

## Music

Our music topic this half term is called Reflect, Rewind and Replay. We will be consolidating all of our learning over the year, looking at our favourite songs and revisiting terms such as tempo and rhythm.

## P.E.

In P.E. lessons this term, we will be practising striking and fielding skills to be able to use in a rounders game. We will work as a team to play the game.
