

English – Reading and Writing

In class, we are sharing the book Wonder. We shall be exploring a script for our leaver's performance. During poetry week, we will be sharing the work of Michael Rosen and creating our own poems.

In writing, we will be writing a newspaper report based on Alma and a diary entry based on Honey I Shrunk the Kids.

Science

In science, we will be learning about light. We will investigate how light travels, how shadows are formed and learn that light sources produce light. We will investigate a range of light sources in our own environments.

History

In history, we will be learning about the May a civilisation. We will be considering how some of the things studied from the past can affect and influence our lives today.

Geography

Through our geography topic, we will be comparing regions of the UK, Europe and South America. We will be comparing both physical and human aspects of geography.

Art and Design

This half term, we will be studying pattern and printing, related to art of the Maya. We will be designing our own tessellation pattern and our own print.

Hola Mexico!

Year 6, Topic 6

Computing

In computing, we will be planning, developing and evaluating 3D computer models of physical objects. We will recognise that objects can be combined in a 3D model.

R.E.

Through R.E., we will be studying how Muslims respond to global issues. We will compare this to the other religions we have studied. We will also be visiting a local mosque.

P.S.H.E.

In Jigsaw, we will be learning about relationships and sex education. We will be learning about the different types of relationships that exist and the changes associated with puberty.

P.E.

During P.E. lessons, we will be focusing on athletic skills in preparation for sports day. We will also be improving our striking and fielding skills whilst learning the rules for cricket.

Music

In music, we will be learning to play the djembe drum to accompany the song "Happy". We will also have the opportunity to revisit all of the songs learnt this year. We will then choose our favourites to perform again.

M.F.L.

In German, we will be continuing to consolidate our understanding of the language and learning vocabulary based upon foods and weather.
