

**English – Reading and Writing**  
In our reading lessons, we will be studying the book *How to Train a Dragon* alongside the book *Talk Like a River* by Jordan Scott.  
In our writing lessons, we will be writing a fiction story based around the story, *The Explorer* before beginning a non-fiction unit of work around biographies.

**Maths**  
In our maths lessons, we will be completing our unit of work on time and studying fractions and decimals. We will also be focusing on consolidating our understanding and ability to recall the 7x and 12x tables whilst also recapping all previous times tables that have been taught.

**Science**  
Through our science topic, we will be studying sound. We will explore the pitch and volumes of sounds whilst also learning how we hear sounds through vibrations. In addition to this, we will be conducting experiments and learning about a famous scientist: Alexander Bell.

**History**  
During our history lessons, we will be exploring the Romans. We will learn about the Roman invasions of Britain and their settlements. We will also learn about the things that the Romans left that impact our lives today.

**Art and Design**  
In art and design lessons this half term, we will be learning about printing. We will look at the effect of layering and the different ways that we can do this before creating our own printing blocks to create our own pieces of artwork.

**Year 4  
Topic 4**

**Computing**  
During computing this half term, we will be learning about data logging. We will learn the different ways that data is collected. We will also learn about data loggers and discover the role computers play to help us analyse data.

**R.E.**  
In our R.E. lessons, we will be learning about Christians influences and inspirations. We will be looking at how and why Christians celebrate marriage and different inspirational Christian people.

**P.S.H.E.**  
In Jigsaw, our unit of work will be Healthy Me. We will be exploring how friendship groups form and the different roles that people can play within them. In addition, we will also be learning what peer pressure is and also the effect that alcohol can have on the body.

**P.E.**  
During our P.E. lessons, we will be developing our throwing and catching skills. We will refine and build on our previous learning in our multi-skills lessons and then apply these skills during our handball sessions.

**Music**  
In music lessons this half term, our focus song will be *Blackbird* by The Beatles. We will explore the song's message of equality and civil rights and then try to communicate the meaning of the words through our performance.

**M.F.L.**  
In German lessons, we will be focusing on the body and its different parts. We will learn the vocabulary needed to then plan our own yoga sequence. We will then be able to explain this to our partners.
