

### My Communication

We will continue to use British Sign Language to support our learning about people who help us. We will read stories and non fiction books that explain the role of a police officer, firefighter, teacher, dentist and vet. We will also continue to access our BSL videos to help us with our signing.

### My Maths

Our focus will be on measures: comparing the heights of different people, the length of fire hoses, finding the heaviest and lightest objects that people who help us use and comparing capacities of different containers. We will also be singing number songs and rhymes. One of our favourite number songs is Five Little Speckled Frogs.

### My Physical Wellbeing

In our P.E. lessons, we will be learning how to throw and catch and how to perform different rolls on the mats like we would do in a fire. We will also be learning how to safely cross the pretend road in the hall using a stop sign to help us keep safe. We will be finding out about how to keep our teeth healthy. Here is a link to our [toothbrush song](#).

## Blossom Topic 3

### My Social and Emotional Wellbeing

Our wellbeing sessions, will focus on self-care. We will be noticing what we need to wear to keep us warm in the winter. Here is a link to [dressing for the weather](#).

We will also continue to use the Zones of Regulation to show how we are feeling. We will find out about people who help us to feel better when we are sick.

### The World Around Me

During science learning, we will be focusing on different materials and what they are used for. For example, the materials that make waterproof clothing. We will be meeting different people who help us and looking at what they use and what they wear to help us. In geography, we will explore the different jobs in our school environment. Here is a game you can play to find out about the people who help us: [People who help us game](#).

### My Creativity

This topic, we will be singing songs and playing instruments to accompany music about different jobs. Here is a [firefighter song](#). We will explore different tools and techniques for making pictures and crafts involving aspects of different roles in society.
