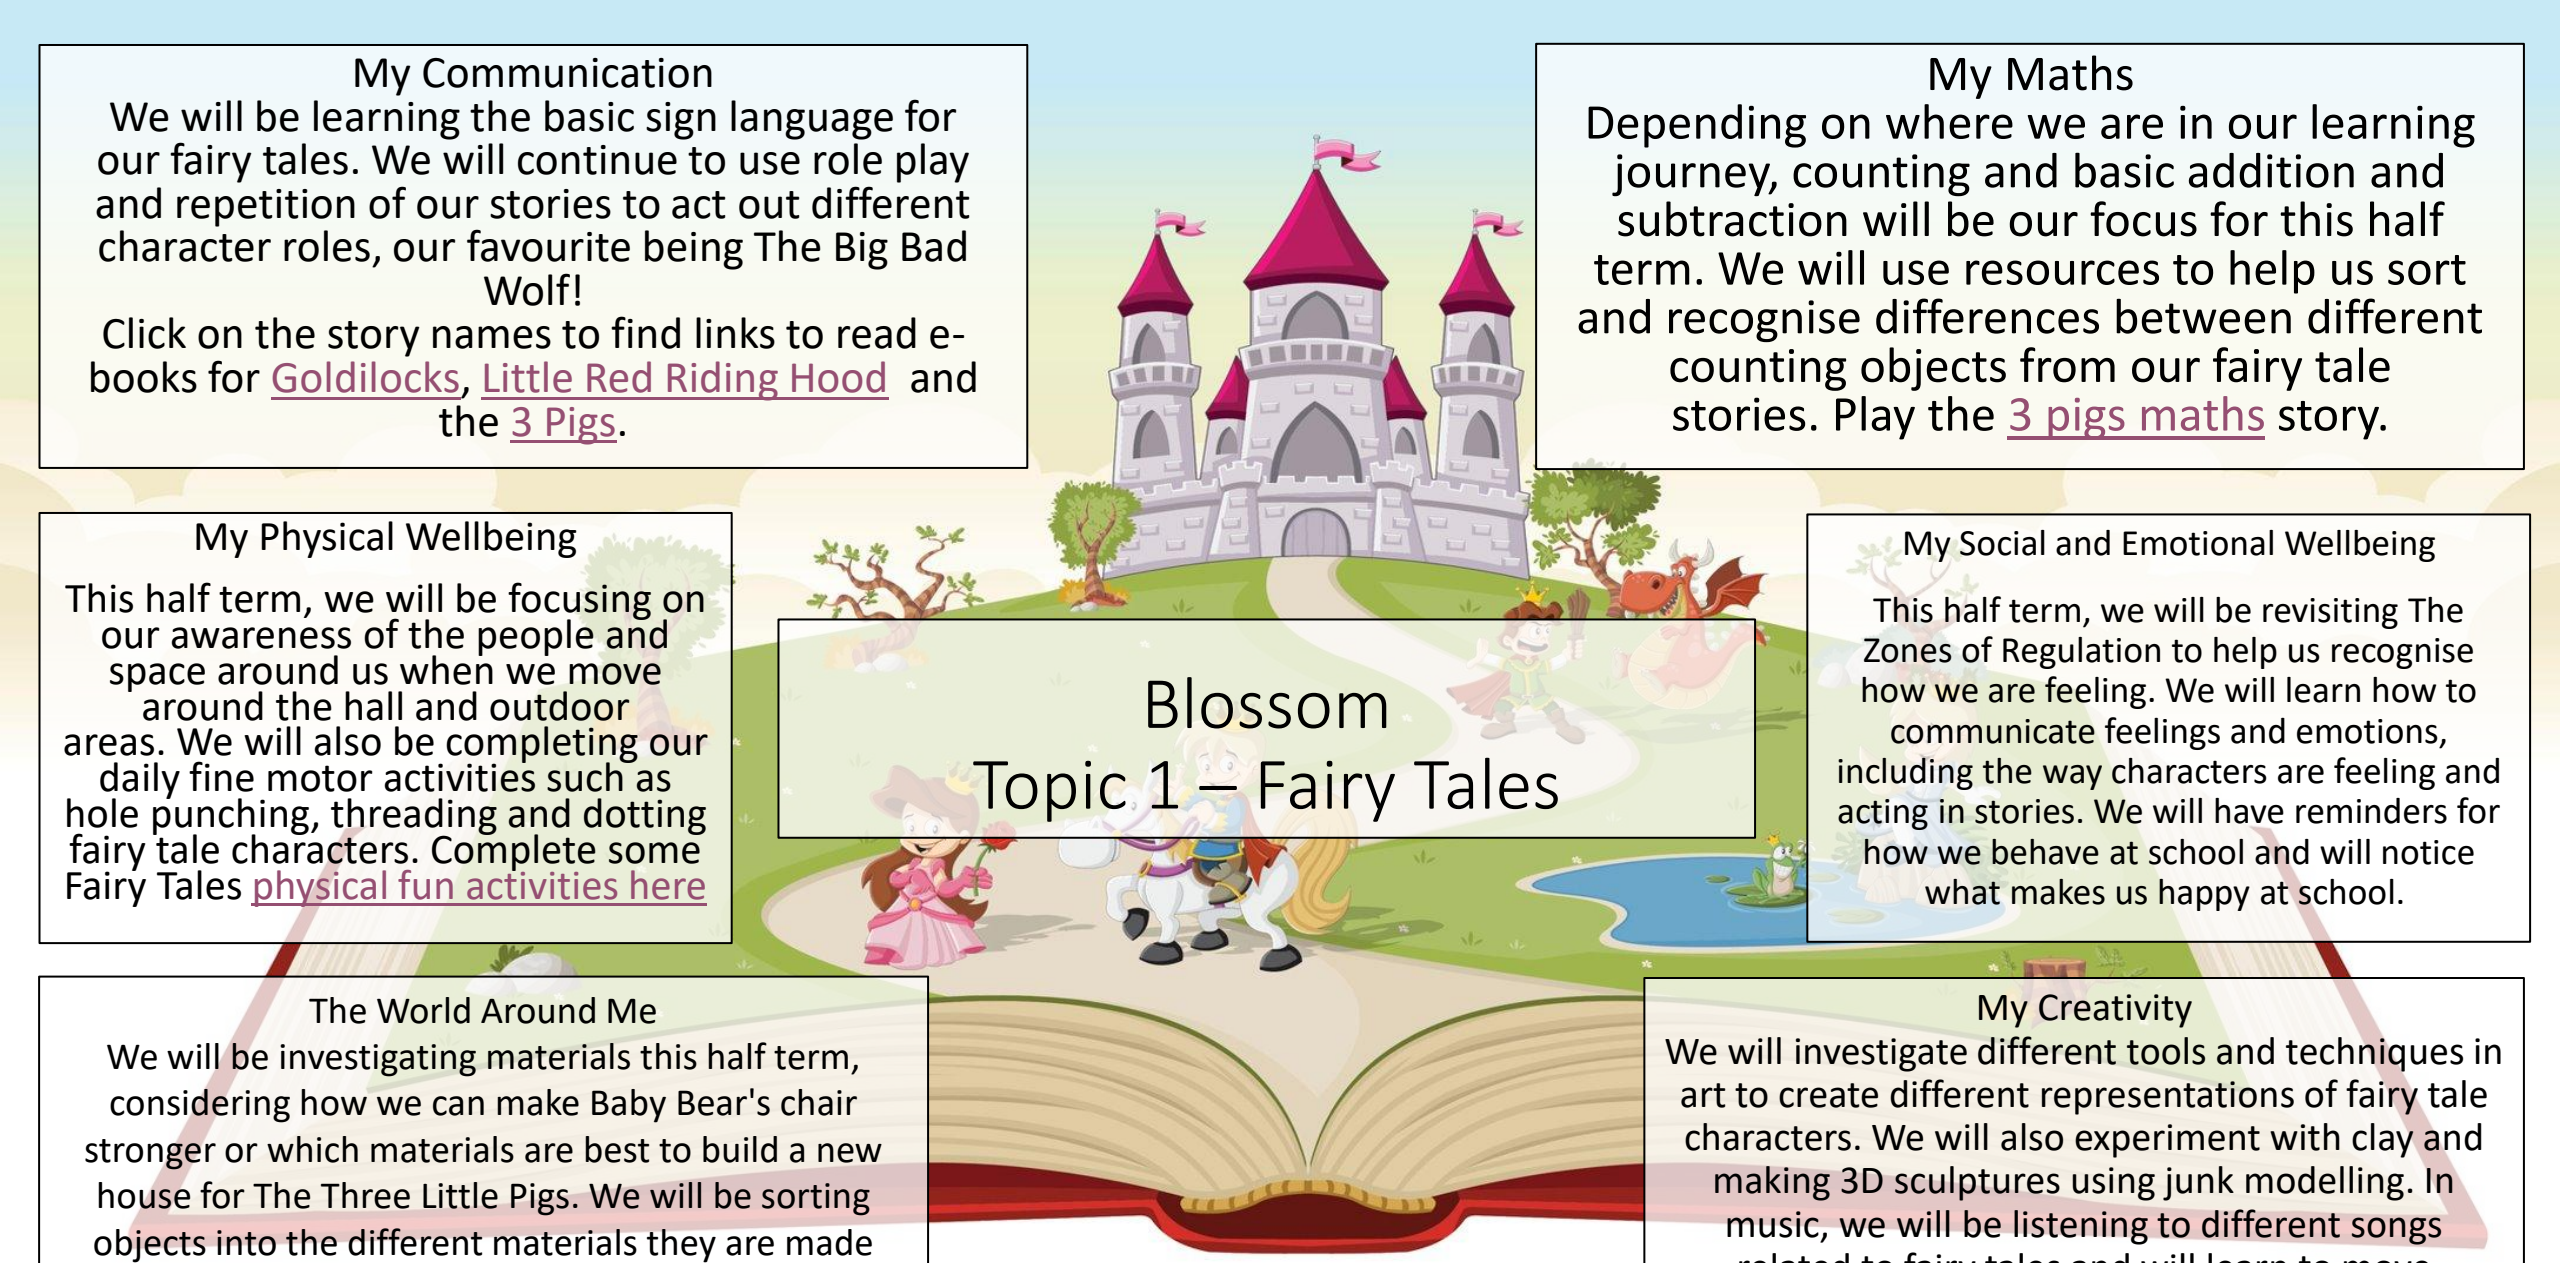
Blossom
Topic 1 – Fairy Tales



My Communication

We will be learning the basic sign language for our fairy tales. We will continue to use role play and repetition of our stories to act out different character roles, our favourite being The Big Bad Wolf!

Click on the story names to find links to read e-books for Goldilocks, Little Red Riding Hood and the 3 Pigs.

My Maths

Depending on where we are in our learning journey, counting and basic addition and subtraction will be our focus for this half term. We will use resources to help us sort and recognise differences between different counting objects from our fairy tale stories. Play the 3 pigs maths story.

My Physical Wellbeing

This half term, we will be focusing on our awareness of the people and space around us when we move around the hall and outdoor areas. We will also be completing our daily fine motor activities such as hole punching, threading and dotting fairy tale characters. Complete some Fairy Tales physical fun activities here

My Social and Emotional Wellbeing

This half term, we will be revisiting The Zones of Regulation to help us recognise how we are feeling. We will learn how to communicate feelings and emotions, including the way characters are feeling and acting in stories. We will have reminders for how we behave at school and will notice what makes us happy at school.

The World Around Me

We will be investigating materials this half term, considering how we can make Baby Bear's chair stronger or which materials are best to build a new house for The Three Little Pigs. We will be sorting objects into the different materials they are made from. We will also be exploring different natural objects that we can find outside at this time of year. See if you can find any conkers, acorns, twigs etc.

My Creativity

We will investigate different tools and techniques in art to create different representations of fairy tale characters. We will also experiment with clay and making 3D sculptures using junk modelling. In music, we will be listening to different songs related to fairy tales and will learn to move rhythmically to music. Here is one of the songs we will learn.
