

English

In reading, we will be studying the fiction text 'The Lion, The Witch and The Wardrobe' by C.S.Lewis. For our non-fiction unit, we will be exploring 'The Travel Book' by Lonely Planets. We will also be studying the poem 'How the Leaves Came Down'.

In writing, we will be exploring what a narrative poem is and creating our own. We will also be writing an adventure narrative based on the book Cosmic and a diary entry.

Maths

In maths, we will start our multiplication and division unit and learn new methods to solve these calculations. We will then move onto our fractions unit where we will apply our multiplication and division skills to fractions.

Science

Our topic in science this term is forces. Through a range of practical investigations, we will find out about friction, gravity, air resistance and water resistance. We will also learn about a range of mechanisms, including levers, pulleys and gears.

Geography

Through our geography learning, we will be studying North and South America. First, we will learn about the USA, followed by Brazil and Peru. When exploring these places, we will look at physical and human features. We will use atlases and Google Maps to help us to do this.

Art and Design

In our art and design work, we will be exploring the work of Paul Klee, focussing on a piece of artwork called 'Wild Water'. We will be creating lighter and darker shades of colour using paint, exploring different sizes of paint brush and recreating a piece of Paul Klee's work.

Year 5 Topic 2

Design and Technology

In design and technology, we will explore beef and where this comes from. We will look at a range of bolognese recipes and then write our own. Finally, we will have a go at making our own bolognese.

R.E.

In R.E., our focus religion this half term is Christianity. We will find out about Christian beliefs, what they do each day to show these beliefs, and we will explore their beliefs about life after death.

P.S.H.E.

Our Jigsaw topic this half term is 'Celebrating Differences'. As part of this, we will be exploring bullying and the impact this has; the meaning of racism and what to do if we encounter this; and exploring differences between children around the world.

P.E.

This half term, Cypress Class will be going swimming. Elm Class will be learning about outdoor adventurous activities where we will focus on building our teamwork and communication skills. In our fitness lessons, we will take part in a range of activities that explore and develop strength, stamina, speed, co-ordination, balance and agility.

Music

In music this half term, we will be looking at bossa nova and swing, which are a fusion of samba and jazz music. We will then try performing in this style using glockenspiels and recorders. We will be building on our existing knowledge of the notes D, E, G, A and B.

M.F.L.

In German this half term, we will explore the buildings in a city and then learn to give simple directions. We will also design and describe a Christmas jumper using our new vocabulary.
