Year 2
Topic 6

English – Reading and Writing

In reading this half term, we will be looking at texts such as 'The Twits' by Roald Dahl and a non-fiction book about the life of Tom Moore.

In writing, we will be creating our own adventure narratives and recounts. We will also be exploring repetitive poetry.

Maths

In maths this half term, we will be looking at telling the time, building on our previous learning. After this, we will move onto statistics, learning about charts and graphs. We will then learn about position and direction before finally consolidating our learning for the year.

History

In history lessons, we will be learning about the moon landing. We will be exploring who Neil Armstrong was as well as making comparisons on the use and accessibility of technology during this time and the present day.

Art

Our topic this half term is printing using fruit and vegetables. We will be looking at wet and dry printing materials as well as different printing techniques. These include block printing, overlapping printing and layering before creating our own final pieces.

Music

Our music topic this half term is called Reflect, Rewind and Replay. We will be consolidating all of our learning over the year, looking at all our favourite songs and revisiting musical terms such as tempo and rhythm.

R.E.

In R.E. lessons, we will be building on our current knowledge of Judaism. We will look closely at Jewish leaders and understand how they influence the Jewish communities that they serve.

P.S.H.E.

This half term, in Jigsaw, our topic is called Changing Me. In this, we will be looking at our body and how it has changed from when we were young to now. We will be looking at the life cycle of a human, focusing on the different stages of development such as baby, toddler and child.

P.E.

One of our P.E. lessons will be 'striking and fielding' to develop our throwing skills and catching skills along with hitting a ball. We will apply these skills in striking and fielding games. Our second lesson will be 'net and wall' games where we will develop our racquet skills to play against an opponent.
